Notice

Subject: Suspension of On-Site Classes and Transition to Online Classes Due to Heat Wave

Dear Students, Faculty, and Staff,

Due to the ongoing heat wave conditions, it has been decided to suspend on-site classes at Sibani Mandal Mahavidyalaya from 25/04/2024 to 29/04/2024. This decision has been made in the interest of the health and safety of our students, faculty, and staff.

During this period, classes will be conducted online to ensure the continuity of academic activities. On-site classes will resume on 30/04/2024, provided the temperature conditions improve. However, the process of online classes may be extended if extreme temperatures persist.

Teachers are instructed to make necessary arrangements for conducting classes through Google Classroom or Google Meet platforms. It is mandatory for teachers to take a screenshot of each session and send it to principalsmm@gmail.com for record-keeping purposes.

Additionally, all teaching and non-teaching staff are directed not to leave the station and must remain present in the college premises as and when necessary.

We apologize for any inconvenience caused and appreciate your cooperation during this time. The safety and well-being of our college community remain our top priority.

For any further updates or queries, please refer to the college website or contact the administration office.
